Alexander Ross

Objective: I am a proactive 23-year-old worker who excels under high-stress work environments and demonstrates critical thinking abilities both in team collaboration and while working independently. Currently pursuing a degree in Computer Information Systems at Okanagan College, I am eager to contribute my technical skills and adaptability to the industry.

Skills:

Technical Skills:

- Proficient in Java, C, C++, HTML/CSS, JavaScript, VB.NET, SQL, and SPARC.
- Strong knowledge of Database Analysis and Design, Excel, micro-controllers, and circuitry design.
- Proficiency in UNIX command line operations.

Soft Skills:

- Exceptional communication skills.
- Quick learner with a willingness to adapt to new situations.

Education:

Okanagan College, Kelowna

- Bachelor of Computer Information Systems (In Progress), 2020 Present
- Leading board member of the Institute of Electrical and Electronics Engineers for the Okanagan College Chapter.
- Attended a Business management course(BUAD 123)
- Relevant coursework: Data Structures, Client-Side Web Systems (HTML/CSS, PHP, JavaScript), Database Management Systems, Discrete Structures, Technical Aspects of Operating Systems (UNIX command line).

Kelowna Secondary School, Kelowna

- Graduated with work ethic and academic awards, 2019
- St. John's Workplace Level 3 First Aid certification.

Work Experience:

Kal Tire, Kelowna - Lube/Tire Technician September 2019 - Present

- Successfully managed high-stress and fast-paced work, demonstrating adaptability and time management skills.
- Performed oil changes, tire rotations, and tire swaps efficiently.
- Collaborated with colleagues to ensure on-time service delivery.

Nature Works, Kelowna - Landscaper

May 2019 - August 2019

- Contributed to various landscaping projects, emphasizing attention to detail and commitment to each job site.
- Gained experience in diverse tasks and continuously expanded knowledge and skills.

Air Cadets, Kelowna - Warrant Officer

- Developed strong time management skills, met strict timetables, and understood the importance of responsibility and order-following.
- Focused on leadership and teamwork, collaborating with others to achieve shared objectives.
